

Athlete Recruitment Policy

Fox Chapel Killer Whales Swimming

Fox Chapel Killer Whales Swimming is fortunate to have highly experienced professional coaches working to develop children into better swimmers, and more importantly, disciplined people. As parents, it is absolutely essential that we give our coaching staff the respect and authority they deserve to run our swim team and use established channels for parental input and feedback.

College athletic recruiters are often interested in contacting members of the Fox Chapel Killer Whales. **Please direct all recruiting inquiries to the [KW Head Coach](#).**

As a parent of a swimmer and member of Fox Chapel Killer Whales Swimming, I will abide by the following recruiting guidelines:

- The KW Head Coach will not automatically release athlete contact information. Connecting the Recruiter and Athlete requires the previous permission of the Athlete and/or Parent.
- Typically, at the request of the Recruiter, the Head Coach will send an introductory email addressed to the Recruiter and the Athlete. Then both parties will have email addresses.
- Phone numbers are released at the discretion of both parties.
 - Phone numbers require opt-in permission from both parties before being released.
 - The Head Coach will not or will not release Athlete phone numbers on an individual case (school policy) basis.
 - The Athlete will let the Head Coach know if a phone number is to be released and which phone number that is.
